

AGENDA

Global Digital Development Summit

DAY 1: October 28, 2019

Time	Session	Description	Room
08:30 – 09:00	Social	Registration/Breakfast	Hall H8-01
09:00 – 09:15	Plenary	Welcome Address Speaker: Busoye Anifalaje and Steven Uggowitz Organization: BAO Systems, eSHIFT Partner Network	Auditorium H8-01
09:15 – 10:00	Plenary	Keynote Address: Using Data and the SDGs to Improve Impact Speaker: Jay Goulden Organization: CARE Moderator: Busoye Anifalaje	Auditorium H8-01
10:00 – 10:45	Plenary	A Black Swan in a Black Box Speaker: Lars Peter Nissen Organization: Acaps Moderator: Busoye Anifalaje	Auditorium H8-01
10:45 – 11:00	Social	AM Coffee Break – Networking	Hall H8-01
11:00 – 11:45	Plenary	Challenges and opportunities of the use of big data in humanitarian settings Speaker: Rebeca Moreno Jimenez Organization: UNHCR Moderator: Donna Medeiros	Auditorium H8-01

11:45 – 12:30	Plenary	Towards an integrated and innovative health management information system for improved decision making for maternal and child survival and development in China Speaker: Mr. Liping Zhou and Jiangli Di Organization: National Center for Women and Children's Health, CDC China Moderator: Donna Medeiros	Auditorium H8-01
12:30 – 13:30	Social	Lunch – Networking	Hall H8-01
13:30 - 14:15	Plenary	Large-scale digitized IMCI in Sub-Saharan Africa: on how AI can help decrease child mortality & morbidity, and predict epidemic outbreaks. Speaker: Wessel Valkenburg Organization: Terre des Hommes Foundation Moderator: Busoye Anifalaje	Auditorium H8-01
14:15 - 15:00	<i>Breakout 1</i>	Leveraging Geospatial Data to Support Public Health Interventions Speaker: Martin de Wulf Organization: BlueSquare Technical Level: Basic	H8-01-E
14:15 - 15:00	<i>Breakout 2</i>	Removing Barriers to Effective Data Use with the Zenysis Rapid Data Interoperability Platform Speaker: Gabriel Risk Martins Organization: Zenysis	H8-01-D
14:15 - 15:00	<i>Breakout 3</i>	Leveraging Routine Data for Logistics Decision Making Speaker: Romain Olekhnovitch Organization: Bluesquare	Auditorium H8-01
14:15 - 15:00	<i>Breakout 4</i>	TransIT – Low-cost Transport Management System for International Development and Relief Speaker: Ryan Triche and Scott Dubin Organization: Chemonics International	H8-01-C
15:00 - 15:15	Social	Coffee Break - Networking	Hall H8-01

15:15 - 16:00	<i>Breakout 5</i>	Added Value of Partnerships in Leveraging Innovative Digital Technology to Improve Tanzania's Public Health Outcomes Speaker: Joann Mneney & Raj Prasad Organization: Rasello, Cardno	H8-01-E
15:15 - 16:00	<i>Breakout 6</i>	Advancing Analytics through Systems Interoperability Speaker: Sam Garman and Katherine Lew Organization: BAO Systems	H8-01-D
15:15 - 16:00	<i>Breakout 7</i>	Health Information System Implementation in Unstable and Humanitarian Emergency Projects in MSF: Review of Use and Limitations Speaker: Zelikova Evgenia Organization: MSF Paris	Auditorium H8-01
15:15 - 16:00	<i>Breakout 8</i>	Use of a server log as a tool to assess ICT maintenance of DHIS2 to understand and address factors affecting server up-time for improved data reporting in Nigeria Speaker: Tonny Bogere and Mathew Aduloju Organization: CDC, AFENET	H8-01-C
16:00 - 17:00	Plenary	Re-imagining the provision of optimal tuberculosis care using digital adherence technologies Speaker: Rachel Powers Organization: KNCV Tuberculosis Foundation Moderator: Donna Medeiros	Auditorium H8-01
17:00 - 19:00	Social	Networking Reception	Hall H8-01

DAY 2: October 29, 2019

Time	Session Type	Description	Room
08:30 – 09:00	Plenary	Registration/Breakfast	Hall H8-01
09:00 – 09:15	Plenary	Day 2 - Welcome & Kahoot Speaker: Busoye Anifalaje (5 minute talk - 10 minute quiz) Organization: BAO Systems	Auditorium H8-01
09:15 – 10:00	Plenary	DHIS2 Overview Speaker: Lars Helge Overland Organization: University of Oslo Moderator: Busoye Anifalaje	Auditorium H8-01
10:00 – 10:45	Plenary	Rights! Evidence! Action! How Frontline AIDS is using DHIS2 to track its contribution to SDG3 to ensure no one gets left behind. Speaker: Anna Downie Organization: Frontline AIDS Moderator: Busoye Anifalaje	Auditorium H8-01
10:45 – 11:00	Social	AM Coffee Break – Networking	Hall H8-01
11:00 – 11:45	Plenary	Sustaining Open Source Digital Public Goods Speaker: Heath Arnesen Organization: DIAL Moderator: Donna Medeiros	Auditorium H8-01
11:45 – 12:30	Plenary	Utilizing Remote Sensors to Monitor Temperature and Humidity for Ambient Health Products in the Supply Chain Speaker: Scott Dubin Organization: Chemonics International Moderator: Donna Medeiros	Auditorium H8-01
12:30 – 13:30	Social	Lunch – Networking	Hall H8-01

13:30 - 14:15	Plenary	Applying machine learning to PEPFAR data to enhance programmatic insights - PoC Speaker: Sam Garman and Katherine Lew Organization: BAO Systems	Auditorium H8-01
14:15 - 15:00	Breakout 9	Improving Visibility of Health Commodities at Public Health Facilities in Lagos State, Nigeria Speaker: Margaret Adedapo Organization: Lagos MoH	H8-01-E
14:15 - 15:00	Breakout 10	Managing health networks at scale to improve the quality of health service delivery: PSI's experience with the Health Network Quality Improvement System (HNQIS) Speaker: Cristina Lussiana Organization: PSI	Auditorium H8-01
14:15 - 15:00	Breakout 11	Mobile Device Management in DHIS2 Speaker: Eva Muhanguzi Organization: eSHIFT/Inclus	H8-01-D
15:00 - 15:15	Social	PM Coffee Break - Networking	Hall H8-01
15:15 - 16:00	Plenary	Data Standards and Innovations to Improve the Availability, Quality, Analysis and Use of Malaria Data at Country and Global Levels Speaker: Ryan Williams and Lucia Fernandez Organization: WHO	Auditorium H8-01
16:00 - 16:30	Plenary	UNAIDS Health Innovation Exchange Speaker: Elina Viitaniemi Organization: UNAIDS	Auditorium H8-01
16:30 - 17:00	Plenary	When Real-Time Data is Fighting Hunger and Malnutrition Using Non-intrusive Technology Speaker: Lionel Baraban Organization: Famoco Moderator: Donna Medeiros	Auditorium H8-01
17:15 - 21:00	Social	Mini-Summit	Mr. Pickwick Pub

DAY 3: October 30, 2019

Time	Format	Description	Room
08:30 – 09:00	Plenary	Registration/Breakfast	Hall H8-01
09:00 – 09:15	Plenary	Day 3 - Welcome Speaker: Busoye Anifalaje Organization: BAO Systems	Auditorium H8-01
09:15 – 10:00	Plenary	Optimizing the Use of Data for Decision Making in Low Resource Contexts Speaker: Hillary McCall and Andrea Fletcher Organization: Cooper Smith Moderator: Busoye Anifalaje	Auditorium H8-01
10:00 – 10:45	Plenary	Introduction to UAVs and their potential integration into developing countries' health supply chains; details surrounding the necessary stakeholder coordination and planning leading up to implementation; Overview of UAV flights and use cases Speaker: Scott Dubin and Ashley Greve Organization: Chemonics International Moderator: Donna Medeiros	Auditorium H8-01
10:45 – 11:00	Social	AM Coffee Break – Networking	Hall H8-01
11:00 – 11:45	Plenary	Applying the Principles of Digital Development: Examining the Importance of Cross-Disciplinary Collaboration through the iDeliver Case Study Speaker: Mary Rocheleau Organization: VecnaCares Charitable Trust Moderator: Busoye Anifalaje	Auditorium H8-01

11:45 – 12:30	Plenary	AI-Empowered Community Health Care Speaker: Asif Akram Organization: Living Goods Moderator: Busoye Anifalaje	Auditorium H8-01
12:30 – 13:15	Social	Lunch – Networking	Hall H8-01
13:15 - 14:00	Plenary	Transforming millions of children’s and mothers’ lives in China through Healthy Family App Speakers: Dr. Xiaoping Pan and Jiangli Di Organization: National Center for Women and Children's Health, CDC China Moderator: Donna Medeiros	Auditorium H8-01
14:00 - 14:30	<i>Breakout 13</i>	WISCENTD: Integrating Data to Fight Against Neglected Tropical Diseases Speaker: Petar Jovanovic Organization: Technical University of Catalonia, BarcelonaTech	Auditorium H8-01
14:00 - 14:30	<i>Breakout 14</i>	Speaker: Atwood Raphael Organization: DAI	H8-01-D
14:00 - 14:30	<i>Breakout 15</i>	Leveraging OpenSRP to improve community health care service delivery, strengthen accountability, aid in decision-making, and generate real time data for M&E on RMNCH and Malaria in Lake and Western Zone in 2019-2020 Speaker: Bakari Bakari Organization: Jhpiego	H8-01-C
14:00 - 14:30	<i>Breakout 16</i>	Interoperable Cross-Sectoral Public Finance Management and Health Information Systems Contribute to Health Sector Service Delivery Improvement in Tanzania Speaker: Revocatus Mtesigwa Organization: Abt Associates Inc	H8-01-E
14:30 - 14:45	Social	PM Coffee Break - Networking	Hall H8-01
14:45 - 15:30	Plenary	ICT Feasibility: Understanding Key Factors Speaker: Paul Amendola	Auditorium H8-01

		Organization: VecnaCares Moderator: Busoye Anifalaje	
15:30 - 16:15	Plenary	Interoperability and connectivity for AMR Surveillance - theory and practice Speaker: Mauro Tobin Organization: Foundation for Innovative New Diagnostics Moderator: Donna Medeiros	Auditorium H8-01
16:15 - 17:00	Plenary	Changing the paradigm of decision making in the public health supply chain through information technology Speaker: Philip Lule Organization: Chemonics Moderator: Busoye Anifalaje	Auditorium H8-01
17:00 - 17:15	Plenary	Closing Remarks Speaker: Busoye Anifalaje Organization: BAO Systems	Auditorium H8-01
